FRONT-END WEB DEVELOPER

address: 1154 Vintage Way
Hoschton, GA 30548
dob: November 29, 1981
status: Married
website: ninjapowa.com
email: yee@ninjapowa.com
mobile: (770) 853-5774

Mar. 2012 -
Present

Web Developer

PureRed Interactive

Bring the visionary theories and creative hypotheticals to life and realizing the true, completed design.

Sept. 2011 -
Mar. 2012

Senior Web Designer

AT&T Yellowpages.com

Served as technical lead (without the title) assisting others to grow and succeed in front-end development.

Oct. 2009 -
Sept. 2011

Junior Web Designer & Reporting Analyst

AT&T Yellowpages.com (contractor)

Woohoo! I got to do actual web stuff BUT they needed someone to crunch numbers... so they gave it to the asian guy. Go figure!?

Aug. 2009 -
Oct. 2009

Website Administrator

AT&T Yellowpages.com (contractor)

Played the middle man between client and designer to make sure web changes got done. Happy faces all around were a bonus. :)
